Each year the Salina Symphony Guild conducts fundraisers to provide scholarships for summer music camps to Youth Symphony members who will continue in the program next year. The program has been expanded to include all three levels of the Youth Symphony. This year the Guild has sold note card packets, held the Painted Violins Silent Auction, and is providing people the opportunity to “Sponsor the Future” by donating in honor of a Youth Symphony member. We appreciate the contributions the Youth Symphony parents have made toward helping with these projects; if not currently a member of the Symphony Guild, we encourage you to join to show your support of these hardworking and talented youth.

The Scholarship Application form is available on the website. Complete the form, print it, and obtain a recommendation from the school music director or private teacher before mailing it to the following address:
